SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none"> 1. The information obtained is not complete, for example the MIC of the extracts should be determined 2. The information obtained from the figures are the same as those obtained from the tables. i.e. no need to use both. 3. The discussion is a repetition of the results 4. The only two references mentioned in the discussion seem to be NOT relevant to Cichorium intybus . i.e No discussion 5. No statistical analysis of data 	
Minor REVISION comments		
Optional/General comments
