- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

**SDI Review Form 1.6**

**PART 2: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Compulsory</b> REVISION comments	<b>The research paper is well done. The grammar is good and the language is very scientific. The research in diabetes is excellent, however, the three graphs are not very clearly illustrated. The data numbers on the graphs should be positioned higher in order for the reader to see them better.</b>	
<b>Minor</b> REVISION comments	The tables are good, the graphs should be improved according to the format of the journal.	
<b>Optional/General</b> comments	Paper is ok, I recommend it to be accepted.
