SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Ethical committee report must be added as a separate paper with date and number Under the discussion heading the first paragraph should be omitted from the text	The ethical committee report is written in Kurdish language; we can send an attachment file if you like or translate it to English language. We omitted part of first paragraph.
<u>Minor</u> REVISION comments	Reference number one has been cited more than once	This is according to the needs in the paper.
<u>Optional/General</u> comments	For worldwide prevalence of h MPV virus it can accepted as a contribution from the northren Iraqi region	Of course, it is an addition to the knowledge about world wide prevalence of hMPV, as no previous studies were done about seroprevalence of HMPV in Iraq.
