SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Line 10: The abstract should be structured (objective, design, materials and methods, result down to conclusion) Line 16: There should be space between the 2 and hour. Also correct it to 2 hours since its plural. Line 17: There should also be space between 4 and litre. Also correct 8 hour to 8 hours. Line 19: Correct to 8 hours since its plural. Line 22: Again, it should be 8 hours not hour. Take note for all mistakes similar to this one. Line 26: Key words; too long (It should not more than 6) and on same line 26). Line 34: Use Diarrhea not 'diarrheal'. Check reference pattern of journal -Numbers in square brackets []. Line 38: Coliform counts not 'coliforms counts'. Line 40: You could say; "Underground water is believed to be the purest <u>source of water</u> known..." Also there should be a comma before the 'however' and after it. No semicolon e.g ,however, Line 48/49: This sentence is ambiguous- "It was	The abstract have been re-structured following the journal method of presentation. Other corrections have also been effected as recommended. We also agree with the punctuations mistakes and have effected the correction. Beirut is the name of the country that
