**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | <p>Research focuses on respiratory pathogens in HIV positive patients. This kind of contributions are welcomed since life expectancy of this patients are continuously increasing. But the whole text needs editing There are a lot of syntax erros and ambiguous sentences. Please pay attention to lines 21, 22, 23,53,80,65,108,143,144,143,147,148,150,151,156, In line 92 Streptococcus pneumonia is mentioned as gram negative mistakenly.</p> <p>There is no ethical issue in the manuscript</p> | All the syntax error have been effected.                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                               |
