

Editor's Comment:

I would recommend the Manuscript No2015_BMRJ_18103 titled "Phytochemical study and antimicrobial activity of bark extracts of *Ceiba pentandra* (L.) Gaertn. (Bombacaceae) from Côte d'Ivoire on resistant bacteria *Staphylococcus aureus* and *Pseudomonas aeruginosa*" for publication in BMRJ. Authors have included all the changes and answered all the comments made by reviewers.
