| <b><u>Compulsory</u></b> REVISION comments | <p>Manuscript - A scientific update on Passiflora foetida</p> <p>The minireview about Passiflora foetida is interesting; however the text must be rewrite, because there are many errors, including the citation of references. The first reference must be added in text as number [1].</p> <p>There are also errors in describe the phytochemical analysis. Apigenin, luteolin, kaempferol are not C-glycosyl flavonoids.</p> |                                                                                                                                                                                      |
