SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	It is an interesting case report concerning the rare unstable haemolytic anemia. But discussion must be enriched more as which is the outcome of the patients, splenectomy has an impact in severe form, folic acid supplementation, what is happening in homozygous state? Correct the date of reference no 5.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
