

SDI Review Form 1.6

PART 1:

Journal Name:	<u>International Journal of Biochemistry Research & Review</u>
Manuscript Number:	2013_IJBcRR_5043
Title of the Manuscript:	Evaluation of the Anti-diabetic and Antioxidant activities of aqueous leaf extracts of Morinda lucida and Saccharum officinarum in alloxan-induced diabetic rats
Type of the Article	Research paper

General guideline for Peer Review process is available in this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

- This form has total 7 parts. Kindly note that you should use all the parts of this review form.

SDI Review Form 1.6

PART 2: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The genus of Plant should be abbreviated after the first appearance in text. Chemical research and pharmacology investigation for <i>Morinda lucida</i> should be added in the section of "Introduction". It is important for discussion. Anti-Diabetic Effect of <i>Morinda lucida</i> was reported in Ref. "Research Journal of Pharmacology, 2010,4(3): 78-82, and Journal of Pharmacy and Pharmacology, 1999, 51(11): 1321-1324". These references should be added in "Introduction" and "Discussion". The time for sample collection should be given in 2.1 section. The extract rate for leaves of two samples should be given in 2.1 section	I have done all the corrections noted by the Reviewer.
<u>Minor</u> REVISION comments	"compare to" should be corrected as "compare with". In line 22, 25, 26 and 28, " $P<.001$ " should be corrected as " $P<0.001$ ".	I have also made the corrections
<u>Optional/General</u> comments		I have made all the necessary corrections (in yellow) and confirm that the manuscript is in its right form to explain our research findings.
