SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Results section needs more writing. Authors just presented tables and figures without talking about the key observation in those figures and tables. This has made the paper weak.	
Minor REVISION comments	Ethical issue- Yes, approval number must be stated in the work.	Ethical issues-NO. In this part of the world "Ebonyi State, Nigeria. Ethical issues are not demanded for when you are working with laboratory animals. It is only required when one is working with human subjects.
Optional/General comments		

Note: Modification was done in this document ONLY to hide some comments, which are against the SDI peer review guidelines
