SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	1.Methodology in the Abstract portion is not clear. 2. Conclusion is too brief. Needs slight elaboration	We agreed reviewer's suggestion and have rewritten methodology in the abstract and conclusion (line 324-329).
<u>Minor</u> REVISION comments	Grammar in the Abstract and Introduction portion needs to be revised. There are minor typographical errors in the text. Most of the references should be within last 5years.	In response to the reviewer's comment, we have rewritten the Abstract and Introduction. We apologize for our carelessness, and we have corrected mistakes throughout the text. In response to the reviewer's comment, we have deleted 5 old references and cited another references from the previous version.
<u>Optional/General</u> comments
