SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	NA	
<u>Minor</u> REVISION comments	1. Please, correct the numbering of sections and subsections. They are not numbered in the correct order. 2. Subsection 1.2.4 "Other viruses" deals solely with HBV. I suggest renaming it to "Hepatitis B virus (HBV)". 3. A few spelling corrections need to be done as for instance on lanes 13 "biologists and virologists", 175 "Nef enhances" and 257/258. 4. In the References' section words need to be separated in the name of some journals. For example in ref number 4, 14,15, and thereof.	1. Numbering has been taken care. 2. Subsection 1.2.4 has been renamed as Hepatitis B virus 3. Spellings have been corrected 4. References have been corrected
<u>Optional/General</u> comments	This manuscript represents a very well written and updated review on a topic that is very likely to be of interest to the readers.
