Subject: RE: FINAL DECISION: Accept (but correct the ms.) / Re: Fwd: Request for final decision for manuscript number 2013_IJBcRR_7118

I have perused the materials related to the manuscript.

My final decision is: ACCEPT; however, I am attaching the manuscript after its 2nd revision by the authors (it was erroneously named as "version 1" in the file name), which I have additionally corrected throughout.

PLEASE NOTE:

1) In the attached manuscript, ALL MY corrections HIGHLIGHTED in RED should be DELETED; also please make all possible efforts to delete the annotations within the whole manuscript and their "special marks" (such as "ECS..." with a number instead of "...").

2) My corrections made in the text (stylistic, linguistic, etc.) are highlighted in GREEN.

3) I strongly recommend the editorial/publishing staff to check once again the language in the final version which will be published.

Editor's Details:

Alexander A. Kamnev

Inst. of Biochemistry and Physiology of Plants and Microorganisms, Russian Academy of Sciences, Saratov, Russia
