

SDI Review Form 1.6

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	2014_IJBcRR_9689
Title of the Manuscript:	Mode of Oral Ethanol Feeding Affects Liver Oxidative Stress Levels And Methylation
Type of the Article	Original article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The submission falls into the scope of the journal. The Introduction is understandable with relevant literature. Methods are well and correctly described. The statistical information is adequately presented and appropriate. Discussion is clear and sufficient. It is well described the mechanisms of toxicity of ethanol. Conclusion is supported by the data, discussed inside the MS. All references are cited relevant and adequate. This study will be very useful for other laboratories in the correct choice of experimental design concerning the proper selection of ethanol administration.
