SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	Introduction needs some explanation regarding the importance of keeping dynamic balance for bacteria/fungus colonies in soil. It plays significant role for the living systems in nature.	I agree with you whole and entire. To that effect, relevant explanation has been added to the introduction.
