SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	The subject developed in this review article is interesting. However the text of the manuscript is difficult to understand. I suggest a clear reorganisation of the manuscript.	We have tried resorting some of the contents.
<u>Minor</u> REVISION comments	The space between many words missing and is difficult to read. If the authors are using in this review figures from another publication they should cite correctly. By example Fig. 1...(reproduced with permission from...)	Due to certain technical problems the manuscript contained jumbled up words. The figures are also cited now
<u>Optional/General</u> comments		All the possible changes have been made
