

SDI Review Form 1.6

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	2015_IJBcRR_16081
Title of the Manuscript:	INVITRO ANTIBACTERIAL ACTIVITY AND INVIVO ACUTE TOXICOLOGICAL STUDIES OF NELSONIA CAMPESTRIS AQUEOUS LEAF EXTRACT
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	This paper presents the title "<i>In-vitro</i> Antibacterial Activity and <i>Invivo</i> Acute Toxicological Studies Of <i>Nelsonia Campestris</i> aqueous Leaf Extract" placed some important on the pharmacology activities from this traditional medicinal plants. The researcher(s) shall justify the bioassay (especially for MIC and MBC antimicrobial assays) is carried out in triplicate and not in single sample only;	The MIC and MBC were carried out in triplicates, results collected and interpreted as mean $\pm$ SEM using statistical method as indicated in 2.8.5.
<u>Minor</u> REVISION comments	The main errors may due to the formatting errors upon uploading. Eg. They shall be a gap between two words. <i>In vitro</i> and <i>In vivo</i> are Latin words and need to be italicized in English. It shall be written as 2 words with a gap in between them. Acknowledgement shall be given to the first inventor/developer of the method. Eg. Under section 2.6, pg 4: ... and MBC were determined by the method of Pushpalatha et al., 2010.	Corrected Corrected The author was properly acknowledged by referencing

SDI Review Form 1.6

<u>Optional/General</u> comments	Certain term shall be write in small capitals, e.g. mean , standard error mean (SEM)	The standard method of writing mean standard error of mean is SEM
