

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	2015_IJBcRR_17119
Title of the Manuscript:	The Nephroprotective Effects of Graded Concentrations of Calcium and Magnesium on Nephrotoxicities Induced by a Constant Toxic Concentration of Cadmium and Lead in Rats.
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
There are some comments on this revised manuscript: ABSTRACT: At line-1 of the abstract, concentrationsof should be corrected to "concentrations of". At line-2, theirnephroprotective should be corrected to "their nephroprotective". At line-3, Pbnephrotoxicities should be corrected to "Pb nephrotoxicities". At line-4, fourrats should be corrected to "four rats". At line-6, withgradedmagnesium should be corrected to "with graded magnesium". At line-9, betweenDecember should be corrected to "between December". At line-12, sampleswere should be corrected to "samples were". At line-16, urinedecreased should be corrected to "urine decreased". INTRODUCTION: At line-36, workseeked should be corrected to "work sought". DISCUSSION: At line-270, ofcadmium should be corrected to "of cadmium". REFERENCES: At line-315, majorpathway should be corrected to "major pathway". At line-324, Thecase should be corrected to "The case". At line-336, Gallusand should be corrected to "Gallus and". At line-351, ClinChemActa should be corrected to "Clin Chem Acta".	Authors' response to final evaluator's comments All the typographical errors pointed out by this evaluator have been corrected. I have discovered that most of the corrections were done in the first revised manuscript but still appeared uncorrected.

SDI FINAL EVALUATION FORM 1.1

At line-369, HeavyMetals should be corrected to "Heavy Metals".

At line-393, EiseigakuZasshi should be corrected to "Eiseigaku Zasshi".

At line-397, EiseigakuZasshi should be corrected to "Eiseigaku Zasshi".
