

SDI Review Form 1.6

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	2015_IJBcRR_17119
Title of the Manuscript:	The Nephroprotective Effects of Graded Concentrations of Calcium and Magnesium on Nephrotoxicities Induced by a Constant Toxic Concentration of Cadmium and Lead in Rats.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	There are many comments on this article: ABSTRACT: At the first line of abstract, concentrationsof should be corrected to "concentrations of". At the second line, theirnephroprotective should be corrected to "their nephroprotective". At the third line, Pbnephrotoxicities should be corrected to "Pb nephrotoxicities". At the fourth line, "Wister rats" should be corrected to "Wistar rats". At the sixth line, withgraded should be corrected to "with graded". At the ninth line, betweenDecember should be corrected to "between December". At line-11, sampleswere should be corrected to "samples were". At line-16, urinedecreased should be corrected to "urine decreased".

	INTRODUCTION: At line-33, workseeked should be corrected to "work sought". At line-35, "induced nephrotoxicity" should be deleted. MATERIAL AND METHODS: At line-40, wister should be corrected to wistar. Statistical Analysis: -The way of data presentation (e.g. mean $\pm$ S.D.) should be mentioned. -The program used for statistical analysis and its version should be mentioned. RESULTS: At line-96, "which was significantly different" should be corrected to "which was insignificantly different". DISCUSSION: At line-204, (Table 1) should be corrected to (Table 2). At lines-204, 205, 206, "was compromised leading to the higher activity of alkaline phosphatase activity at the lower concentrations and the higher concentration of total protein as compared with control" should be corrected to "was compromised Leading to the higher activity of alkaline phosphatase

	and the higher concentration of total protein at the lower concentrations of calcium and magnesium as compared with control". At line-213, (Table 1) should be corrected to (Table 2). At line-272, ofcadmium should be corrected to "of cadmium". REFERENCES: At line-306, "Letters2008" should be corrected to "Letters. 2008". At line-309, the italic "<i>Australian Journal of Soil Research</i> 1996" should be corrected to "Australian Journal of Soil Research. 1996". At line-314, Sediments2006 should be corrected to "Sediments. 2006". At line-318, Health2009 should be corrected to "Health. 2009". At line-319, majorpathway should be corrected to "major pathway". At line-320, Perspectives2010 should be corrected to "Perspectives. 2010". At line-327, Environment1991 should be corrected to "Environment. 1991".

	At line-328, Thecase should be corrected to "The case". At line-329, Science2001 should be corrected to "Science. 2001". At line-331, "wister rats" should be corrected to "wistar rats". At line-331, Biotechnology2009 should be corrected to "Biotechnology. 2009". At line-336, Sciences2010 should be corrected to "Sciences. 2010". At line340, "in Gallusand their" should be corrected to "in Gallus and their". At line-341, "Publications 2014" should be corrected to "Publications. 2014". At line-347, Science2002 should be corrected to "Science. 2002". At line-353, Journal1964 should be corrected to "Journal. 1964". At line-355, "ClinChemActa 1981" should be corrected to "Clin Chem Acta. 1981". At line-358, Biology2002 should be corrected to "Biology. 2002". At line360, BioMetals 2010 should be corrected to "Bio Metals. 2010".
