SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The manuscript provides valuable information on composition of six bean types which can be cultivated in South Western Nigeria. All data are adequately described, with adequate statistical treatment. Clear conclusions are formulated. I can therefore recommend the manuscript for publication. I have only a few minor comments on the manuscript.	
<u>Minor</u> REVISION comments	Minor comments: Abstract, line 6: Remove the comma after the words "Common beans", i.e., "Common beans were included as a reference for comparison." Abstract, line 13: Insert a comma before the word "respectively" Abstract, line 13: Insert the verb "were" in the sentence "The beans were compared fairly with common beans...." Abstract, line 16: Replace the word "least" by the word "lowest" in the sentence "Black eyed peas had the lowest total of mineral content...." Introduction, line 31: Correct the plant scientific name "<i>Pentaclethra macrophylla</i>" Introduction, line 49: Write "World Health Organization" with capital letters. Line 90: Write "15 min." (not "mins") Line 96: Write "20 Pa" (not "20 pa") Line 127: Remove a comma after the word "The protein", i.e., "The protein phaseolin was extracted..." Line 136: Correct the spelling in the word	

SDI Review Form 1.6

	“microkjehldahl method” Results and discussion, page 197: Replace the word “least” by the word “lowest” in the sentence “...and lowest in black eyed peas.” Line 201: Insert a comma following the word “However,...” Line 218: Insert the word “there” in the sentence “Presented in table 3, there are the phaseolin protein fractions of the beans.” Line 222: Replace the word “least” by the word “lowest” in the sentence “...and lowest in soybean,...” Line 227: Correct the verb form “has” to “have” in the sentence “Seeds of Pachyrhizus erosus (Yam beans) have been analysed...” Conclusion Line 244: Correct the verb form in the sentence “Their nutritional composition is comparable to widely adopted...” Line 246: Correct the word form “undesirable factors” Line 247: Insert a comma after the words “...especially African yam bean and mung beans,”	
<u>Optional/General</u> comments
