

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">International Journal of Biochemistry Research &amp; Review</a>            |
| Manuscript Number:       | 2014_IJBcRR_15864                                                                      |
| Title of the Manuscript: | Comprehensive Roles ofTP53 in Cell Signaling, Apoptosis, and Carcinogenesis – A Review |
| Type of Article:         | Review Article                                                                         |

**PART 2:**

| FINAL EVALUATOR'S comments on revised paper (if any)                                                                                                                                                   | Authors' response to final evaluator's comments |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------|
| The format is still wrong that some words are linked together as the first paragraph. The manuscript is now acceptable if this wrong format is carefully corrected, ex, line 5, 7, 24, 25...and so on. |                                                 |

**Reviewer Details:**

|                                  |           |
|----------------------------------|-----------|
| Name:                            | Anonymous |
| Department, University & Country | Taiwan    |
