

International Journal of Plant & Soil Science

Manuscript number: 2012/IJPSS/2401

**Manuscript title: PERFORMANCE OF OKRA (*Abelmoschus esculentus* (L) Moench)
UNDER VARIOUS APPLICATION OF PESTICIDES AND FERTILIZERS
IN OXIC PALEUSTALF**

Comments to the Editor in Chief/Authors

The manuscript concerns an important research topic and presents some novelties which could contribute to increase the level of knowledge of scientists.

I read the original paper submitted and both the comments of the reviewers and the final version. I noted a substantial improvement, and therefore the paper in its present form is suitable for publication in the International Journal of Plant & Soil Science.

Recommendation: ACCEPTED with minor revisions
