

SDI Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	2013_IJPSS_8724
Title of the Manuscript:	Evaluation and Preservation Of Some Longan Cultivars
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>This study is extremely important to the field of the research.</p> <p>Quality of writing and other presentations (figures, tables, exhibits) are superior.</p> <p>Conceptual rigor (clarity of objectives, treatment of relevant literature, logical reasoning) are superior.</p> <p>Methodological rigor (research design, sampling, data collection/analyses as relevant to qualitative/quantitative data) are superior.</p> <p>Evaluation Results are superior.</p> <p>Discussion part are superior but results should be discussed more and conclusions (implications, limitations, future research) are superior.</p>	<p>Thanks</p> <p>More discussion for result are don as follow: For table (4) we add, This variation was mainly due to difference percentages of HFCS to sucrose added during processing of such products, and also different location of longan cultivars (environmental conditions). And other discussion with highlight</p>

SDI Review Form 1.6

	Paper's contribution to research in its current form.	<p>Further study of this research may be content different titles</p> <ol style="list-style-type: none"> 1- Biological studies on longan 2- Studies on longan seed utilization
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
