Subject: Re: Request for final decision for manuscript number 2014\_IJPSS\_9075

**The final decision for manuscript number 2014\_IJPSS\_9075** entitled 'Water-use efficiency and transpiration rate of wheat under irrigated and desiccated conditions' later 'Water-use efficiency and ammonium-N source applied of wheat under irrigated and desiccated conditions' written by Emad M. Hafez, Saad H. Abou-Khadrah, Sobhy G. Rezk and Adel Y. Ragab and Tohru Kobata

Following evaluation of all documents related to the manuscript I can tell that the manuscript is acceptable for publishing in the International Journal of Plant and Soil Science. The text has been amended in accordance with the comments and requirements of the Reviewers and was significantly improved during the reviewing process. Thus, I am pleased to inform that my final decision is: Accept.
