

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	2014_IJPSS_12374
Title of the Manuscript:	Metalaxyl induced changes in Protein metabolism during germination of Maize

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
In fig.1a, fig.1b, fig.2 and fig.3, light blue, dark blue and purple are the same color so that it seems difficult to tell the difference among them. Please author revises the color of the line.
