

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	2014_IJPSS_9075
Title of the Manuscript:	Water-use efficiency and transpiration rate of wheat under irrigated and desiccated conditions

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The study is well planned and the paper is also well written but there are still some minor grammatical errors. However, the paper merits publication.	

Reviewer Details:

Name:	Magashi Auwal Ibrahim
Department, University & Country	Crop Science, Kano University of science and Technology, Wudil, Nigeria
