2. Author Reply for Special Query

Many thanks for this message, and I believe that 90 % of the words highlighted with red were not plagiarized, but were the ideas written by me originally. After our defence in the University - Universidade Federal de Vicosa, Vicosa, Brazil. (Federal University of Vicosa, Vicosa, Brazil) where I studied, they published our complete thesis online immediately. Kindly go to most of the links and you will believe me that the thesis carries my name. I have not published from the thesis at all. Still have lots of work I am working on from it.
