SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Title: The year 2012 should be removed from the title. Line 45 & 172: Malaria mortality has reduced from over 1million. Please check WHO 2012 malaria fact sheets. Line 174: The Author should cite recent references. Line 194: The Author should cite recent KAP studies on malaria that were conducted in West Africa. Line 222: This statement is no longer tenable since the study was conducted in 2012.	Observation noted and removed Thanks and corrections made thanks In my view the universal coverage of malaria knowledge has not been achieved and statement removed
<u>Minor</u> REVISION comments	Line 9: We assess Line 22: severe is low Line 36: Female Anopheles mosquitoes Line 70: 24th May 2002	Corrections done with much thanks

SDI Review Form 1.6

<u>Optional/General</u> comments	The study was a good one.
