

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of TROPICAL DISEASE & Health
Manuscript Number:	MS: 2012/IJTDH/2457
Title of the Manuscript:	Adopt a village, rural rabies prevention project: A 'one health' experiment in India

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors have revised according to the reviewer's comments such as additional information about several organizations and more discussion about future possibilities of the project. The reviewer suggests that author's answer on the monitoring procedure (interval and frequency, et.al.) should be inserted in the text to demonstrate adequate project management (revised text Line 115-116).	The project activities and progress made were monitored on quarterly basis by the project advisors. Besides two international observers from Global Alliance for Rabies Control (GARC) visited the project villages in November, 2010 and December, 2011 for an on-site appraisal. An observer from National Centre for Disease Control (NCDC), Delhi visited the project implementing institutions in April, 2011 and reviewed the progress made. [Added vide Line 122-126]
