SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	This is simply an outbreak study, so the depth of research is superficial.	
<u>Optional/General</u> comments	Although the work is presented well by the authors but since the study is based on the outbreak that occurred in year 2009; the results must have been published before. The author has taken very long time to publish the results.
