For comments of GD and author's feed back	-	
For comments of AG and author's feed back	-	
For comments of Reviewer 4 and author's feed back		
For comments of Reviewer 5 and author's feed back	As indicated on the revised MS in blue	
For comments of Reviewer 6 and author's feed back		

PART C: **Recommendation:**

- Authors should do further revision in line with my new comments (highlighted in blue) on the said revised MS
- Botanical names in the figures should be italicised as well
- Table 1 MUST be deleted as it is definitely irrelevant
- Authors have failed to include authority in plants name (in abstract and when mentioned for the 1st time in the introduction. It is mandatory)
- Declaration on competing interests should come as a sub heading after "conclusion"
- Since the authors have asserted 'preliminary status' of their work, the last paragraph of the MS should commence as "In conclusion, it is evident from these preliminary findings that....."
