SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Please see the attached PDF with the revision requested. The discussion section needs strengthening with better referencing of the individual studies to the interpretation of the author. Many vital revisions have been requested in the PDF file (Marked yellow) with comments made in the text box alongside. The result section needs to be re-looked into. Many significant statements in the discussion section does not finds its place in the result or in the methodology section.	Thanks for the correction. The 35years was referenced in the introduction since there is not proper to reference in abstract. The corrections have been done.
<u>Minor</u> REVISION comments	Language of some of the sentences needs reframing so that readers can decipher the correct meaning of them.	
<u>Optional/General</u> comments
