SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Extensive review of treatment modalities of leishmaniasis in manuscript. However, some more latest articles should be added to nanotechnology portion of manuscript	We agree and included latest articles (highlighted in pink).
Minor REVISION comments	Typographical and grammatical mistakes, few of which have been highlighted	For some reason, the file was unformatted, to which we apologize. We give attention to this in the new document formatting. The manuscript was also completely revised by a native, as suggested by one of the reviewers. These changes are marked in yellow.
Optional/General comments		On behalf of all authors, thank you for your time.
