SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<i>All acronyms must be explained at the first use eg NDVI, LST etc</i> <i>At the result section there was no mention of the prevalence of malaria in the abstract</i> <i>It is possible to separate the results from the discussions?</i> <i>In the introduction section, there was no mention of the public health importance of malaria in Nigeria and Lokoja</i> <i>At the study area any records on malaria, clinics, health workers, access to health etc?</i>	All Corrections effected
<u>Minor</u> REVISION comments	<i>In table 1 you described almost all that is in the table. You may probably go by the table or the text</i>	Correction effected
<u>Optional/General</u> comments	<i>Good work and it adds on to knowledge</i>	Thank you
