SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	This are some note : 1. It's different between Nsanje district and Mwanza district, please add little note about them ! 2. The result are more beautifull if presented in table and figure ! 3. If you want to discuss about SAFE is more match if the title written in SAFE. 4. Please make machth the tittle, aims, methods, discussion and conclution.	Corrections have been made-see abstract line 29-34 See figure and tables 1-4 SAFE has been discussed in the broader aspects of trachoma in background; to properly address risk factors see line 80.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
