SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment(<i>if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here</i>)
Compulsory REVISION comments	The article is very interesting and valuable for public health issue. Case report is well documented. I strongly recommend publication.	
Minor REVISION comments		
Optional/General comments	It will be nice to include some national guidelines on umbilical cord care (Karumbi J et al. Pediatr Infect Dis, Jan 2013; 32(1): 78-83, available online, doi: 10.1097/INF.0b013e3182783dc3)	The comments have been well taken and the corrections effected in line 142 -143 and 193 - 195
