SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. Manuscript should be edited for spelling, English grammar and technical writing such as <i>Salmonella</i> should be written italic as <i>Salmonella</i> not salmonella. Salmonellosis should be written like salmonellosis. All above correction should be check for all text. 2. The author should give some info about outbreak of <i>Salmonella</i> and importance for public health based on official report from ministry of health . 3. Please add number of ethical approval. 4. I recommend PCR analysis for isolates to confirm API results but not need to be do for future study.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
