SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Every complete English sentence must include a subject and a predicate so in the Result section of Abstract, line 23 the sentence: "Cavitation (44.7%)" should be completed. In the Discussion section, third paragraph, line 148, it is a following mistake: "...the age group of 35-34 years.." The numbers should be replaced with: "..25-34 years.."	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The authors should add the list of abbreviations. For the first reference to a term in the text, the term should be used in full with the abbreviation included in brackets. For the remainder of the text the abbreviation should be used. The authors have to carefully read the entire manuscript and correct typos/grammatical errors (i.e. in the Discussion section, 6th paragraphe, line 169: anti-tuberculosisdrugs; has to be anti-tuberculosis drugs).	

SDI Review Form 1.6

	The authors stated: The hospital ethical committee approved this retrospective study, with a waiver of informed consent from the patients. (Methods section, 1st Paragraph, line 46-47).
