SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Nil	
<u>Minor</u> REVISION comments	a) What were the questions asked and has these questions been used and validated before in previous studies? These set of questions can then be used as a basis for comparison. b) It would be good for the authors can find out whether it is the educational level of the residents rather than the ethnicity that affects the KAP. E.g. It might be the Indian and Chinese residents were relatively poorly educated compared to the Malay resident in the villagers.	
<u>Optional/General</u> comments	Nil
