

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

|                          |                                                                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">International Journal of TROPICAL DISEASE &amp; Health</a>                                                                                      |
| Manuscript Number:       | 2013-IJTDH_5864                                                                                                                                             |
| Title of the Manuscript: | Increased High Density Lipoprotein Cholesterol and Total Cholesterol Levels in Traders with Metabolic Syndrome in an Apparently Healthy Nigerian Population |

**PART 2:**

| FINAL EVALUATOR'S comments on revised paper (if any)                                                                                                                                         | Authors' response to final evaluator's comments |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------|
| Table 3, has no statistically significant result, and has no add information, It seems it is better to be removed as previously suggested and just the results can be mentioned in the text. |                                                 |
