

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of TROPICAL DISEASE & Health
Manuscript Number:	2014_IJTDH_8985
Title of the Manuscript:	Serum Iron Status and Haematological Profiles in Adult Nigerian Sickle Cell Anaemia Patients

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The author has corrected nearly all the observations previously noticed. However, some issues still require attention. The issue that need corrections are: - General comments - Line 78 - et should be separated from author name. This should be effected for others e.g. line 212 - Read through the entire manuscript some require separation as they are incorrect fused together e.g. <u>criteriaincluded</u> in line 102 should be separated to read “criteria included” There are many of such within the manuscript which require authors' attention. They are many between line 102 – 122. Final Disposal: Accepted subject to above modifications
