SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	This manuscript is containing interesting cases. However, patients' medical histories are too long and unnecessary details were given. Presentation of cases should be shortened. Discussion section should be written more satisfying.	Thank you for the kind review. We have revised the mss in accordance with the reviewer's suggestions: 1. The medical histories have all been shortened, and unnecessary details have been removed as indicated in yellow. 2. The presentation of cases has been shortened. 3. The discussion section has been rewritten to be more satisfying. Thank you for the suggestions.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
