SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	• I suggest correct line 226 incomplete words. • Not be repetitive to the point of deworming as proposed.	The word "heminths" has been corrected to helminths (line 225) and the word "aready" corrected to already(line 226). The repetition on deworming in adults has also been corrected.
<u>Optional/General</u> comments	• It is a retrospective study so no informed consent is required.	The suggestion was inserted (see ethical considerations line 141)
