SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Line 34 -36 It is good to include differences between students of CBSE schools and those from government schools. Are they different from social class? Line 57: If reference for is not available for CSHM, it is better to include what food, nutrition and physical activity of CSHM in brief. If reference is available, should include the Reference. References: Three authors should be enough. e.g. Ref:2 Sarsawathi YS, Najafi M, Gangadhar, et al Similar correction is necessary for ref: 3,14,16 and 17	Dear Reviewer, Thank you for your valuable opinions. The students in CBSE schools usually belong to upper and upper middle class when compared to corporation school. We have added the difference in the prevalence of obesity and overweight in these classes. Thanks for pointing out the importance of citation of the manual, we have added the web resource citation of all 4 volume. We have formatted references to journal style.
<u>Optional/General</u> comments
