SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	In discussion part, please elaborate more on missing the diagnosis. Also, I feel, first two paragraphs of the discussion can be shorten. Further, relate the discussion toward the awareness and diagnosis of CLM, in Uyoi, Nigeria. In conclusion also relate Uyoi, Nigeria. Ethical issues: Yes, for the publication of the photo of the patient. But, according to them, they have obtained the written informed consent.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
