SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Introduction: 1.The authors have mentioned full form of DOTS in page no. 2, line no. 40-41. But I think you should mention the full form in initially in abstract. 2. The authors have written full form of DOTS as 'Directly Observed Treatment'. In know the full form as 'Directly observed Treatment short – course'. Methods: 3. What are the full form of 'PFP' and 'PNFP'? 4. Study tools: It will be 'Structured' questionnaire- not 'Semi-structured'. Questionnaire may be 'Unstructured' or 'structured'. 5.Mention all study tools. 6. Please mention study variables. 7. What was the sampling technique? 8. Please provide a heading as Operational definitions: a) Smoking b) Alcohol consumption c) illiterate etc. 9. SPSS manufacture details. Result: 10. you have mixed both past tense and present tense.	

SDI Review Form 1.6

	Please write in past tense only. References: 11.No.3: et al will be after 6 authors. So you will add Yadav S 12. no. 4:there will be et al after Yang W. 13. no.14: Gidado M, Ejembi CL.Tuberculosis case management and treatment outcome: assessment of the effectiveness of Public-Private Mix of tuberculosis programme in Kaduna State, Nigeria. Ann Afr Med 2009;8(1):25-31. 14. Correct No. 17 15. Correct no. 22 16. Please re check all references.	
<u>Minor</u> REVISION comments	I have already given comments.	
<u>Optional/General</u> comments	It is a good informative study.
