SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments	This paper has a lot of merit. The subject is very topical particularly within the context of study. The recommendations are apt.	
Minor REVISION comments	The author would do well to review the works of Atilola (2014), Oyewunmi, Oyewunmi, Iyiola and Ojo (2015); who have made same recommendations. The style of referencing is dated. This should be reviewed, subject to the style preferred by the editor.	
Optional/General comments
