SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Author (s) should re-write the article probably with the help of an English language editor or an experienced senior researcher. Some statements do not really make meaning in the article e.g. Line 145 – 146, line 187 – 188, line 252 etc. They are also inconsistent use of designations e.g. Fig and Figure are used in the text. Some words are joined together e.g. line 81, 87, 91, and 113. Abbreviations or acronyms should be defined at first use no matter how common they are. The experimental methodology is not easily understood. It should be written for easy comprehension The entire article should be rewritten for a fresh review.	
<u>Minor</u> REVISION comments	Not Applicable	
<u>Optional/General</u> comments	Nil	

Note: Anonymous Reviewer
