

1. Special Query to Author

Thank you for submitting your revised manuscript number 2013_IRJPAC_8157 (**Title: A Rapid Spectrophotometric Method for the Determination of Trace Level Silver Using 1, 5-Diphenylthiocarbazone in Aqueous Micellar Solutions**). Our Initial Review and Screening Subcommittee (IRSS) found one similar publications of your own:

Available at following links: (<http://ceacsu.edu.pk/PDF%20file/Volume%2013%20No%2001/22-35-PJAE-31012012-11.pdf>)

We have found some similar parts of your manuscript with this published paper

1) Title: A Simple Spectrophotometric Method for the Determination of Copper in Some Real, Environmental, Biological, Food and Soil Samples Using Salicylaldehyde Benzoyl Hydrazone

You are kindly requested to reconstruct the sentences **highlighted in blue color** and send us the modified one. It will help you to avoid future complication.

Only after your modification we can proceed for 'final decision'.

We hope you'll appreciate our strict and high publication standards, which are designed to give benefits to the authors in long run.

2. Author Reply for Special Query

Thanks a lot for your clarification. Please find herewith Clarification Report along with Revised Paper no 8157 in the attached Files. I hope you have to satisfy by these clarifications and take further necessary action for its publication. Please do the needful at your earliest.
