SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	- Where is the phytochemical screening table? - Where are the histopathological sections? - The discussion and result section need improvement.	• The phytochemical screening table is now inserted in Table 1 and the other tables have been appropriately numbered. • While histopathological results may be presented as colour plates, they may also be presented in written form as in other published reports such as onifade <i>et al</i> (2011) available at http://www.academicjournals.org/article/article1379502480_Onifade%20et%20al.pdf which is the approached adopted in the current paper.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
